PROFESSIONAL SUMMARY

I am a dedicated and creative web designer focused on crafting engaging and impactful websites. My goal is to use my skills and experience to develop unique digital experiences that positively influence clients, coworkers, and the broader online community. My responsibilities included client interaction, creating demo pages, developing live websites, and ensuring mobile-friendly, responsive designs.

WORK EXPERIENCE

Delogiq Internet Solution Pvt. Ltd.

Aug 2022 – July 2024

WordPress Designer

- At Delogiq Internet Solution Pvt. Ltd, designed and developed over 50+ client websites using WordPress, ensuring high-quality and unique digital experiences.
- Improved website loading times by three times, ensuring faster and more efficient user experiences.
- Developed websites using Bootstrap Framework, HTML5, JavaScript, and CSS3, incorporating the latest secure technologies.
- Engaged with clients to understand their needs, created demo pages for approval, and developed live websites based on client choices, making modifications as required.

Intern Nexus

Jan 2022 – Aug 2022

MERN Stack Internship

- Collaborate with senior developers to design, develop, and deploy web applications using the MERN (MongoDB, Express.js, React.js, Node.js) stack
- Assist in the creation of user-friendly interfaces and seamless user experiences.
- Participate in code reviews, debugging sessions, and performance optimization tasks.
- Stay up-to-date with the latest trends and advancements in web development technologies.
